OLEH BUSKO

London, UK +447414927285 busko.oleh@gmail.com

A dynamic and creative software developer with over 2 years of production experience and 5 years of coding experience. Eager to become a part of a dev team where I can learn and improve my skills as a Front End developer. In my previous roles I instantly stand out for creating quality code and became a go to person for problem solving.

Work Experience

Software Developer Apr 2018 - Present
OrbitX, London UK

- Implemented front side applications for multiple clients using **React.js** and **React Native**.
